Valid to end of month while stocks last

I was delighted to read about the *Harper's Bazaar* Diamond Guild Australia Awards in The Courier Mail last week. Awards such as these not only provide a challenging and rewarding showcase for Australia's top designers and craftsmen, it also contributes to the much needed promotion of the industry. Congratulations to all those who entered pieces in the awards. The winners of the 5 prestigious awards;

- Diamond Solitaire Award - Calleija Jewellers (Gold Coast)
- Fancy Fancy Diamond Award - Mondial Neuman Jewellers (Sydney)
- Red Carpet Diamond Award - Varoujian Jewellers (Sydney)
- Diamond Jewellery Re-invention Award - McKim's Jewellery Design (Brisbane)
- Gents Diamond Jewellery Award - Calleija Jewellers (Gold Coast)

To view the winning pieces or for more information visit www.jewelleryawards.com.au

Timely reminder for small businesses who wish to take advantage of the extraordinary 50% extra tax rebate under the Governments Investment Allowance Scheme. Goods must be acquired by 31st December 2009.

Durston D2 - 130 Stacked Rolling Mill

This machine has two sets of rolls, one for sheet (extended for D shapes) and the other grooved for square wire. These are set in high quality maintenance free bronze oilite bearings and are guaranteed for life. Excellent gearing ratio offering a reduction of 7:1 for sheet and 3.5:1 for wire provides for smooth manual operation. Complete with safety covered roll gap calibration disc.

1 ONLY

Sheet Capacity	130mm x 7mm
Wire Capacity	10mm - 1mm (19 grooves)
Gear Ratio Sheet	7 : 1
Gear Ratio Wire	3.5 : 1
Extension Rolls	4, 3, 2 & 1.5mm 'D' grooves
Dimensions in mm	380 x 200 x 580 (Excluding Handle)
Net Weight	70kg
